

# UPDATE CORONAVIRUS (COVID-19)

Stay informed. Take precautions. Stay safe.

Dear Members,

The state is now including assisted living residences' COVID-19 data in its daily reports. Here is a [link](#) to the most recent update provided by the MA Department of Public Health, which also includes data on COVID-19 in rest homes, skilled nursing facilities, and hospitals. The report presents a further enhancement of that previously provided in daily reports as it now also includes new visuals of data and displays trends over time.

Residences that participate in the Massachusetts Long Term Care Mutual Aid Plan (MassMAP,) receive daily situational reports from the Health and Homeland Alert Network (HHAN.) If you would like to receive the reports, contact the MA Dept. of Public Health at [alert.network@state.ma.us](mailto:alert.network@state.ma.us) to submit your request to receive this information. In doing so, you will be included on a list of those receiving daily updates as we move forward in this pandemic and beyond.
