Stay informed. Take precautions. Stay safe.

Dear Members,

You are receiving this message because the state has indicated your residence has not registered for the free COVID-19 vaccine distribution.

On October 28th, Mass-ALA sent an update regarding the partnership established between the U.S. Dept. of Health and Human Services and all CVS and Walgreens pharmacies to manage COVID-19 vaccinations, **free of charge**, for residents and staff in long-term care settings, including assisted living residences.

While participation in this program is strictly voluntary, the Massachusetts Dept. of Public Health is strongly encouraging assisted living residences in the state to sign-up so that they can participate in this valuable program. As a reminder, the deadline to sign-up for this important program is **TOMORROW, November 6th no later than 11:59 p.m.** To opt-in to the HHS' pharmacy partnership program, please click [here](#).
